About EC21.com

EC21.com is one of the world's largest online B2B marketplaces, connecting millions of suppliers and buyers worldwide. Since 1997, EC21.com has been facilitating global trade opportunities for small- and medium-sized enterprises. Today EC21.com has over one million member companies, three million products, one million buyers in its database, and 3.5 million monthly visitors.

Company Overview

EC21.com started in 1997 as an online trade board of the Korea International Trade Association (KITA). In 2000, EC21 Inc. was spun off from KITA. Since then, EC21 has provided local small-and-medium-sized export companies with a comprehensive range of trade support services and global business opportunities.

EC21, the largest overseas marketing company for SMEs in Korea, offers a range of marketing services such as global market research, on/offline overseas marketing, trade education programs and overseas cooperation. The company also operates the EU Gateway Programme, a business cooperation program funded and managed by the European Union (EU).

In particular EC21's online marketing expertise make it a leader in search engine optimization (SEO), search engine advertisements, and social media marketing.

EC21.com marketplace facilitates global trade for export/import companies of all sizes and nations. Since its premium services launched in 2004, EC21 has supported premium members through its offices and agencies in China, India, Russia and Malaysia.

Spirit Guitar Company, LLC

Mr. Bill Parker, VP Procurement 

"Hello everyone, I would like to share my story on EC21. We have been affiliated with EC21 for over 15 years. Our company has been able to find suitable vendors of acceptable reputation with no issues and after sale problems. If I had to rate EC21 as a marketplace, it would score AAA+++. In my opinion, if someone doesn't use EC21 they are going to find themselves in loose loose situation...."

Vietnam Agrotech Company Limited

Mr. David, Director 

"We have been merged between two State-owned companies VIKYNO CO., LTD (Established in 1967) and VINAPPRO CO., LTD (Established in 1968) under The Ministry of Industry and Trade of Vietnam.

There have been approximately 100 inquiries sent to us globally on a monthly basis throughout nearly 1 year. Some of customers have visited the company and our factories and totally satisfied with product qualities, styles as well as prices.

Bemax Enterprises Co.

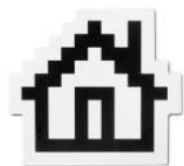

Mr. Jim Wu, Sales Manager 

"We mainly supply cubic zircon, ruby, synthetic, sapphire, natural stone, crystal. They are sold in USA, UK, Korea, India, Japan, Thailand, Germany and more.

We have been using EC21 Trade OK for 2 years, and have received a lot of inquiries. Through EC21, our business could have been increased fast. EC21 makes me feel confident when I do my business. I really appreciate EC21.com to help us trade with overseas buyers. I recommend EC21 to other companies who want to penetrate overseas market.

CREDIT ASSESSMENT FACTORS
 ACPS Credit risk assessment is based on 12 key business factors. Each factor is assigned a rating and the total is aggregated and weighted in consideration of any other influencing factors relevant to the final assessment.

These factors include:

Financial Status	Profitability	Industry sector & trends
Principal	Liquidity	Litigation
Management	Scale of operations	Years in business & co history
Associated estate etc.)	Trade references & reputation	Family involvement & support

Our Credit Report Service makes you check & verify the most current credit-related information (financial & legal status, financial summary, shareholders, company information and more) before making deals with your clients

EC21 Offers a **TradeVerify** Service, authentication & verification service provided by EC21 or 3rd parties for EC21 members to verify their credit, business and legal information about business entities.
